### A Wrinkle In Time Stealthskater

Constrained to a single dimension, there is no "room" to "turn around" in time. Time as we all know and experience it flows from Past through Present to Future. It is like a one-way track or line without width or height. Time has no horizontal or vertical dimensions equivalent to width and height in space.

## **A Wrinkle in Time Official US Trailer**

A Wrinkle in Time's villain, IT, is the biggest bully in the universe, targeting the weak and either making them submit or destroying them. At the same time, the protests from Meg, Calvin, and Charles Wallace that they like being different are also not quite convincing. Perhaps the trick is to perform a balancing act: to recognize that the lure of group belonging has a strong pull, but to try not to let that stop a you from striking out in your own direction, whatever that may be.

"A Wrinkle in Time" arrives in theaters during the same week that U.S. viewers observed the 50th anniversary of the premiere of "Mister Rogers' Neighborhood," a beloved series that was all about respecting the space, the wishes, and the feelings of others. There are many points in "A Wrinkle in Time" where the characters' journeys suggest a big-budget CGI version of that show's regular excursions into "The Neighborhood of Make-Believe," a world in which kindhearted children and adults have ...
