Programming the Acramatic 950 control? Boss ended up buying a machine with an Acramatic 950. Need to know the ins and outs of this control. Are there things it can't do vs fanuc controls? I was told it was very capable and could do scaling, macros, subroutines, etc. I still don't have a G/M code list to know how different it is and still not ...

Our shop has a Cincinnati Milacron T10 HMC with an Acramatic 950 control. I am in the process of learning some of the quirks and peculiarities of the machine. I'd like to figure out a way to get a backup image of the HDD. I'd like to figure out how to enable the rigid tapping option. I've read there's a service switch that I may need to become familiar with but I don't know where in the ...
