Re: 4.3 mercruiser problems in my limited but humble experience... the fuel pump is a good place to start - especially if it seems to be running ok. If it is reunning really ritchey, you might look down the carb to see if you can see gas running down into the intake - debris in the needle valves or sunk float can do that sort of thing.

4.3 mercruiser problems Page: 1 - iboats Boating Forums ...

If the engine stalls or stutters, the problem lies with the carburetor or ignition. If the engine makes a strange noise, the engine likely suffers from broken chains, bearings or a lack of pressure. Step 5 Remove the arrestor on top of the carburetor and examine the carburetor.

MerCruiser Diesel: 4.2L D-Tronic Engine Tester: Carl : 9 - 01-Sep-06 Original Post : 12-Aug-06 : I am having engine problems with my 4.2L D-Tronic engine and I am wondering if there is a reliable EDI engine tester that I could purchase. I have found one on the internet that says it was engineered with the assistance of Mercruiser engineers, and ...

MerCruiser Diesel - engine problems

Diesel trucks that sit in one place too long, operate infrequently, or remain in storage between seasons often have problems with the oil oxidizing. In other words, air gets into the oil, and creates bubbles that can interfere with proper lubrication, which can result in a faltering or even damaged engine.

Mercruiser 4.3 Problems

Re: problem with Mercruiser 5.0 MPI Sigh.... i completely missed the fuel pump issue. Normally when the fuel pump is stuck on your fuel pump relay is stuck on, Try tapping/hitting on the relays a little to see if the pump will turn off with key on. You may need a new relay, The relays are on top of the engine.

problem with Mercruiser 5.0 MPI - The Mariah Owners Club

Mercruiser MAG 350 Problems. ... My brand new 350 MAG started consuming oil after 30 hours. Problem has been getting worse - it now consumes 350 mL every 2 to 3 hours of operation at cruise speeds (about 1/3rd a quart). ... If that doesn't work (they will do a leak down test after that), then they will give me a new engine. ...
