When I went to highschool we just had pure math 30, applied math 30 and a math prep course. I've recently been looking into going back to post secondary school and notice a lot of the prerequisites I see say Math 30-1 or Math 30-2 and was wondering what those mean? I took Math 30 applied in 2004, is this an equivalent to either the 30-1 or 30-2 or are those course more or less difficult ...
