European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Saxon no longer publishes the Answer Key and Tests for the older editions. We don't have any older editions of Saxon at this time; however, we have them listed so you can google the ISBN and perhaps find copies elsewhere. The answer keys include only answers to the problems in the text, the answers to the tests, the tests, and a few activity pages.

My kid does Saxon Math at her school. So decided to buy the same book and help her with exercises over the weekends. But while ordering, instead of ordering the Children edition, bought the teacher's edition. The book is exact same as Children's edition but answers in bold red next to the questions, making it totally unusable for children's
